Notes:

Universities

- a) Includes international visa students.
- b) Includes students on work-term registered in co-operative education programs.
- c) UBC note: Registration Continuing status are graduate students registered at UBC and paying fees but who are not registered in any courses (ie. thesis or major paper). These students were not reported prior to 2000/01.
- d) UBC figures include UBC-Okanagan

Institutes and Colleges

- 1 International students are those students who pay an international fee for at least one course in a period.
- 2 Student headcount by institution will not agree with unique sector headcount totals because some students are enrolled at more than one institution.
- 3 Student headcount represents the number of students registered in all reported instructional activity, including skills courses and developmental activity.
