Subject: CMHC Contribution Agreement – Kelly Court Rehabilitation Project

RECOMMENDATION

That the MVHC Board authorize the execution and delivery of the contribution agreement as required by the Canada Mortgage and Housing Corporation (CMHC) for the purposes of receiving funding contribution of up to \$1,321,824 to support the Kelly Court Rehabilitation Project located at 2929 Nootka Street in the City of Vancouver.

EXECUTIVE SUMMARY

Metro Vancouver Housing has received a contribution agreement from CMHC to contribute up to \$1,321,824 to support the Kelly Court Rehabilitation Project located at 2929 Nootka Street in the City of Vancouver. CMHC requires MVHC to execute the contribution agreement to receive the approved funding and requires their standard form of directors' resolutions to be passed and certified. MVHC staff is requesting that the MVHC Board authorize the execution and delivery of the contribution agreement.

PURPOSE

To obtain approval of CMHC's standard form of directors' resolutions for CMHC's approved contribution for the Kelly Court Rehabilitation project.

BACKGROUND

Kelly Court, built in 1979, is a 45-unit, fully accessible building, housing persons with physical barriers. Kelly Court supports a unique population of tenants who have mobility issues and/or visual impairments. All units are fully accessible, as is the building and surrounding grounds. Metro Vancouver Housing is committed to filling vacancies at Kelly Court from the provincial Housing Registry with applicants who require fully accessible units. The majority of this population is on a fixed income and thus, require rental assistance – 38 of the 45 units (85%) at Kelly Court are rented at rents based on 30% of income (rent-geared-to-income), the remaining 7 units (15%) are rented well below market rates (discounted by 40-50%).

The rehabilitation of Kelly Court provides the building with a new life cycle, improves tenant comfort and increases energy efficiency through improved building performance. The rehabilitation project is underway and currently estimated at 75% completion, with full completion anticipated by the end of 2022. Staff have successfully applied for CMHC funding through CMHC's National Housing Co-Investment Fund, Rehabilitation Stream. CMHC requires a board resolution in order to execute the CMHC contribution agreement and any other documents as may be required by the agreement.

RESOLUTION AUTHORIZING CMHC CONTRIBUTION AGREEMENT

The resolution being requested for the Board's approval is included in Attachment 1, which has been adapted from CMHC's standard form of resolutions. The resolution is to authorize any two directors or officers of MVHC, or any combination thereof, to execute or cause to be executed under its corporate seal or otherwise, the contribution agreement between CMHC and MVHC and such other documentation as required by the agreement, with such alterations, additions, amendments and deletions as may be approved by any such persons executing the same, whose signatures shall be conclusive of such authorization.

ALTERNATIVES

- 1. That the MVHC Board approve the resolution included in Attachment 1, to authorize the execution and delivery of the contribution agreement as required by CMHC for the purposes of receiving funding contribution of up to \$1,321,824 to support the Kelly Court Rehabilitation Project.
- 2. That the Housing Committee receive for information the report dated September 21, 2022 titled "CMHC Contribution Agreement Kelly Court Rehabilitation Project" and provide alternate direction to staff.

FINANCIAL IMPLICATIONS

Should the Board approve Alternative one, the CMHC contribution agreement for the Kelly Court rehabilitation project will be executed on time and the financial contribution will be conveyed to MVHC. Should Alternative two be selected, the contribution agreement may not be executed in due course, and MVHC will not receive the financial contribution, resulting in a greater financial contribution from MVHC reserves being required to fund the rehabilitation project.

CONCLUSION

CMHC requires the MVHC Board to authorize the execution and delivery of the contribution agreement for the Kelly Court Rehabilitation Project. Alternative one is recommended.

RECOMMENDATION

That the MVHC Board:

- a) approve the 2023 Annual Budget and endorse the 2023 2027 Financial Plan as shown in Attachment 1 of the report dated October 20, 2022, titled "MVHC 2023 Budget and 2023 2027 Financial Plan", in the following schedules:

EXECUTIVE SUMMARY

Following the planning process outlined at the April 14th Board Budget Planning Workshop and as per the direction received at the October 19th Board Budget Workshop, the MVHC 2023 Annual Budget and 2023 - 2027 Financial Plan is now being brought forward to the Board for consideration and approval. The financial plan has been developed based on a detailed budgeting process that is designed to forecast anticipated future revenue requirements to cover operating expenditures, capital expenditures and debt servicing costs over the next five years.

Also being brought forward is a request to authorize the application of 2023 reserve funds which requires the approval of the MVHC Board pursuant to the Board's *Operating, Discretionary, and Statutory Reserves Policy*.

Staff recommend approving the MVHC 2023 Annual Budget and endorsing the 2023 - 2027 Financial Plan as presented.

PURPOSE

To consider and approve the 2023 MVHC Annual Budget for Housing Services and endorse the MVHC 2023 - 2027 Financial Plan.

BACKGROUND

A Board Budget Workshop was held on April 14th with the objective to seek direction for the preparation of the 2023 - 2027 Financial Plan. The workshop outlined the principles that guide the work of Metro Vancouver as an organization, the current 2022 - 2026 Financial Plan, the implications of the COVID-19 pandemic, the tools that can be used to make budget adjustments, and a proposed approach for the 2023 - 2027 Financial Plan.

In October, the 2022 budget and five-year financial plan for MVHC was presented to the Housing Committee for consideration and endorsement and is included in Attachment 1. On October 19, 2022 this budget was also presented at the Board Budget Workshop and is summarized in the report titled "2023 - 2027 Financial Plan – Metro Vancouver Districts and Housing Corporation" (Attachment 3).

The MVHC 2023 Annual Budget and 2023 - 2027 Financial Plan are now being brought forward to the Board for consideration and approval. Also being brought forward is a request to authorize the application of 2023 reserve funds which requires the approval of the MVHC Board pursuant to the Board's *Operating, Discretionary, and Statutory Reserves Policy* (Attachment 2).

BOARD BUDGET APPROVAL REQUIREMENTS

Unlike the *Local Government Act* and the *Community Charter* which requires Regional Districts and Municipalities in British Columbia to annually approve by bylaw a financial plan for a five year period, multi-year financial plans are not required under MVHC enabling legislation.

However, in accordance with Metro Vancouver's policies that adhere to long term financial planning principles, this report brings forward for the Board's consideration a five-year financial plan for the years 2023 - 2027. The financial plan has been developed based on a detailed budgeting process that is designed to predict anticipated future revenue requirements to cover operating expenditures, capital expenditures and debt servicing costs over the next five years. This information is essential in supporting Metro Vancouver's overall budgeting process.

ALTERNATIVES

- 1. That the MVHC Board:
 - a) approve the 2023 Annual Budget and endorse the 2023 2027 Financial Plan as shown in Attachment 1 of the report dated October 20, 2022, titled "MVHC 2023 Budget and 2023 2027 Financial Plan", in the following schedules:
 - Revenue and Expenditure Summary
 - Housing
 - Capital Portfolio Housing
 - b) approve the 2023 Reserve Applications as shown in Attachment 2 of the report dated October 20, 2022, titled "MVHC 2023 Budget and 2023 2027 Financial Plan".
- 2. That the Board provide alternative direction as appropriate.

FINANCIAL IMPLICATIONS

If the Board approves alternative one, the 2023 Annual Budget will be approved as presented and authority will be provided to undertake the MVHC Housing Services work plans presented in the budget reports. The 2023 to 2027 Financial Plan for MVHC Housing Services will also be endorsed and will provide greater certainty for budget planning in future years, as well as improved information to the public, partner agencies and tenant services.

Under alternative two, the Board may wish to amend the 2023 budget and approve the budget and financial plan as amended. Under the MVHC enabling legislation, the Board is required to adopt a budget on an annual basis to ensure the ongoing financial sustainability of the Corporation.

SUMMARY / CONCLUSION

The 2023 Revenue and Expenditure Budgets and the 2023 Reserve Applications require Board approval. Endorsing the MVHC 2023 - 2027 Financial Plan aligns with Metro Vancouver's financial planning practices and concludes the administrative process of the 2023 budget development cycle. Staff recommend approving the MVHC 2023 Annual Budget and endorsing the 2023 - 2027 Financial Plan as presented in alternative one.

RECOMMENDATION

That the MVRD/MVHC/GVS&DD/GVWD Boards direct staff to prepare the necessary 2023 Budget and 2023-2027 Financial Plan information to be presented at the October 28, 2022 Metro Vancouver Districts and Housing Corporation Board meetings for consideration.

EXECUTIVE SUMMARY

The 2023 - 2027 Metro Vancouver Financial Plan has been prepared following direction received at the April 14, 2022 Metro Vancouver Board Budget Workshop. This has resulted in a plan that maintains the goals and objectives of Metro Vancouver while removing the use of financial levers that were utilized during the COVID-19 pandemic to minimize increases on ratepayers. Further, this budget represents a pause to assess the implications of the rapidly evolving macro-economic environment and to undertake strategic planning with the incoming Board of Directors.

Key highlights of the overall Metro Vancouver 2023 proposed budget are as follows:

- A reduction of \$22 million of the total 2023 Metro Vancouver proposed operating budget compared to that previously projected for 2023.
- Maintained or increased contribution to capital and reserves for key functions.
- Reduced capital cash flow for 2023 and 2024.
- Reduction of household impact, \$33 less that that previously projected for 2023.

While considered a pause, the proposed budget still contains provisions to address key Board strategic priorities such as Climate action, Asset Management, Metro 2050, Regional Parks Land Acquisition, Accelerated action on Invest Vancouver, and Indigenous Relations.

As proposed, the 2023 budget has total operating expenditures of \$1.082 Billion and expected capital cashflow of 1.247 Billion. For the year, the average household impact is projected to increase by \$26 for a total of \$620. This represents a 4.5% increase over the prior year, down from the 10.1% projected for 2023 in the previous financial planning cycle.

PURPOSE

To present the 2023 Budget and 2023 - 2027 Financial Plan for the Metro Vancouver Districts and Housing Corporation for consideration.

BACKGROUND

The 2023 - 2027 Financial Plans for the Metro Vancouver Regional District (MVRD), Greater Vancouver Water District (GVWD), Greater Vancouver Sewerage and Drainage District (GVS&DD) and Metro Vancouver Housing Corporation (MVHC) have been prepared following the direction received at the April 14, 2022 Board Budget Workshop.

On April 14, 2022 a Metro Vancouver Board Budget Workshop was held with the objective to seek direction for the preparation of the 2023 - 2027 Financial Plan. The workshop outlined the principles that guide the work of Metro Vancouver as an organization, the current 2022 - 2026 Financial Plan, the implications of the COVID-19 pandemic, the tools that can be used to make budget adjustments, and a proposed approach for the 2023 - 2027 Financial Plan.

Given the challenges being observed coming out of the Covid-19 pandemic, this budget represents a pause for Metro Vancouver and focuses on maintaining the existing goals and objectives of Metro Vancouver. Staff will undertake strategic planning with the incoming Board of Directors, evaluate current plans under this leadership, and assess the implications of the rapidly evolving macro environment.

Key highlights of the overall Metro Vancouver 2023 proposed budget are as follows:

- A reduction of \$22 million of the total 2023 Metro Vancouver proposed operating budget compared to that previously projected for 2023.
- Maintained or increased contribution to capital and reserves for key functions.
- Reduced capital cash flow for 2023 and 2024.
- Reduction of household impact, \$33 less that that previously projected for 2023.

While considered a pause, the proposed budget still contains provisions to address key Board strategic priorities such as:

- Climate action
- Asset Management
- Metro 2050
- Regional Parks Land Acquisition
- Accelerated action on Invest Vancouver
- Indigenous Relations

During the month of October, the 2023 - 2027 Financial Plans for Metro Vancouver's four legal entities were presented to the following ten Board Standing Committees for the individual functions that fall under the oversight of those Committees:

- Indigenous Relations
- Climate Action
- Electoral Area
- Finance
- Housing

- Regional Parks
- Regional Planning
- Water
- Liquid Waste
- Zero Waste

The Metro Vancouver Standing Committees were presented with individual reports covering the 2023 Budget and 2023 - 2027 Financial Plans for each function including program highlights and financial plan highlights (see agenda item B2). The reports included financial information for multiple years as well as a "What's Happening" summary page that described the key activities projected over the five-year period of the financial plan. Each Committee has reviewed and endorsed their individual financial plans and provided comments and direction where appropriate for consideration by the Board at the October 19, 2022 Board Budget Workshop.

The 2023 Budget and 2023 - 2027 Financial Plans reflect alignment with the legislative authority of the individual Districts and functions. Prepared with the direction provided at the Board Budget Workshop on April 14, 2022, the Financial Plan supports the vision and mission as articulated in the *Board Strategic Plan* and the corresponding Regional Management Plans.

This report is being brought forward to present the overall 2023 - 2027 Financial Plan for Metro Vancouver Districts and Housing Corporation (representing the four legal entities: MVRD, MVHC, GVWD, GVS&DD) for consideration and to forward to the Board meeting on October 28, 2022 for approval.

DEVELOPMENT OF 2023 BUDGET AND FIVE-YEAR FINANCIAL PLAN

The *Metro Vancouver Proposed 2023 - 2027 Financial Plan* (Attachment 1) provides the financial details of the proposed 2023 Budget and 2023 - 2027 Financial Plan including financial information by sub-region for the GVS&DD sewerage areas. The attachment also shows the impact of the plan on the cost to the average regional household by those sub-regions to assist member local governments in anticipating the financial impact of Metro Vancouver services to their communities.

The budget and the five-year financial plans are built upon five central themes that guide the development of Metro Vancouver's long term plans and budgets:

- Financial Sustainability
- Regional Growth
- Environmental Sustainability
- System Stewardship
- Regulatory and Legislative Environment

The Metro Vancouver financial planning process is also framed by a number of Board policies including:

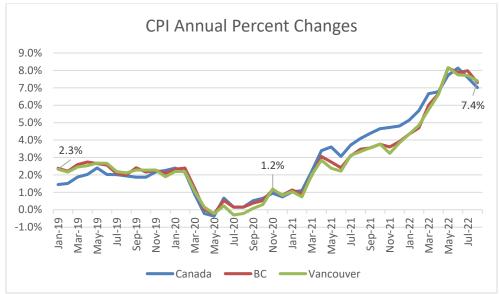

- the Financial Management Policy
- the Corporate Allocation Policy
- the Operating, Statutory and Discretionary Reserves Policy
- the Asset Management policies for individual functions

Macro-Economic Conditions

An overriding concern for many organizations at this time are the pervading macro-economic conditions. These are most evident in the recent changes in interest rates and inflation which are highlighted in the charts below.

Source: Bank of Canada

Source: Statistics Canada. Table 18-10-0004-01 Consumer Price Index, monthly, not seasonally adjusted

Staff assumptions used in the development of the proposes 2023 – 2027 Financial Plan are as follows:

	2023	2024	2025	2026	2027
Interest Rate for Borrowing	5.1%	5.2%	5.25%	5.25%	5.25%
Inflation	6%	6%	4%	3%	3%

Financial Services staff monitor these key factors as they seem to vary rapidly with the changing geopolitical environment.

HOUSEHOLD IMPACT

Household Impact is the key budget metric for Metro Vancouver. It estimates the impact of Metro Vancouver services on the average regional household based on services used.

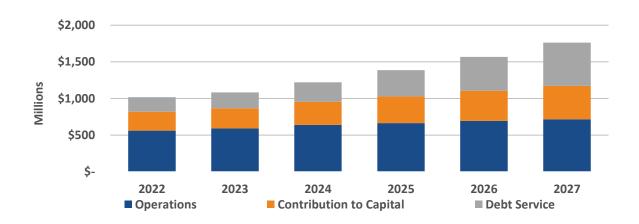

The projection for 2023 in the 2022 - 2026 Financial Plan was for an increase in the household impact of \$59 to a total of \$653. For this cycle, the household impact for 2023 is projected to increase by \$26 for a total of \$620. The total household impact compared to that projected in the previous financial plan is set out in the table below:

	OVERALL HOUSEHOLD IMPACT 2023 - 2027											
	2022	2023	2024	2025	2026	2027						
Water	\$ 175	\$ 177	\$ 191	\$ 215	\$ 240	\$ 270						
Liquid Waste	280	295	360	432	503	579						
Solid Waste	63	65	68	71	74	78						
Regional District	76	83	90	91	93	94						
Total Household Impact	\$ 594	\$ 620	\$ 709	\$ 809	\$ 910	\$ 1,021						
Prior Year Forecast		\$ <i>653</i>	\$ <i>7</i> 31	\$ 826	\$ 949							
Prior Year % Change		10.1%	11.7%	13.1 %	14.9%							

FINANCIAL PLAN OVERVIEW

As proposed, the 2023 - 2027 Financial Plan has total operating expenditures for 2023 of \$1.082 million with projected capital expenditures of just under \$1.25 billion as summarized in the tables below:

Operating Budget

The overall Metro Vancouver Operating budget can be categorized into Operations, Debt Service and Contributions to Capital.

Operations – These are the basic inputs for all of the services that Metro Vancouver provides – materials, supplies, labour, energy, chemicals, contractors etc. This makes up about 55% of the proposed 2023 operating budget and is projected to increase on average by about 3.8% over the term of the plan. This is essentially inflationary, especially taking into consideration regional growth.

Debt Service – This represents about 20% of the proposed 2023 operating budget. Much of the capital program is funded through borrowing and thus debt servicing is a function of the size of that capital program, thus the growth that is projected over the five-year term.

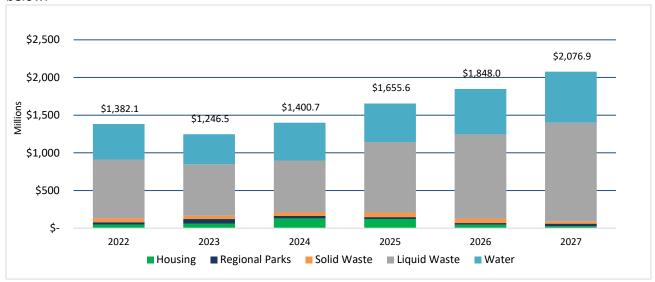

Contribution to Capital – This is the "Pay as You Go" funding for the capital program which is a key factor in avoiding debt and keeping long term costs as low as possible. This represents about 25% of the proposed 2023 operating budget.

The 2023 - 2027 Metro Vancouver Districts Operating Budget is summarized in the table below.

Capital Expenditures

The 2023 - 2027 Metro Vancouver Districts planned capital cash flows are summarized in the table below.

The 2023 - 2027 Capital plan includes at least \$433.6 million of capital costs being carried forward as incomplete from 2021. Further, through the review of the capital projects through this budget cycle, almost \$1.385 million of projects were deferred from the previous capital plan.

ALTERNATIVES

- 1. That the MVRD/MVHC/GVS&DD/GVWD Board direct staff to prepare the necessary 2023 Budget and 2023 2027 Financial Plan information to be presented at the October 28, 2022 Metro Vancouver Districts and Housing Corporation Board meetings for consideration; and
- 2. That the MVRD/MVHC/GVS&DD/GVWD Boards make recommendations to amend the 2023 Budget and 2023 2027 Financial Plan for the Metro Vancouver Districts and Housing Corporation, as presented, and endorse the 2023 Budget and 2023 2027 Financial Plan for the Metro Vancouver Districts and Housing Corporation as amended.

FINANCIAL IMPLICATIONS

If the Board endorses the 2023 Budget and 2023 - 2027 Financial Plan for the Metro Vancouver Districts and Housing Corporation as presented under alternative one, the cost to the average regional household will increase by \$26 in 2023 for a total impact of \$620 for all Metro Vancouver services.

The Board may wish to consider recommending amendments to the financial plan to reflect program priorities. Any proposed changes could require an update to the revenues required to fund the priorities in the plan.

SUMMARY / CONCLUSION

During the first two weeks of October, the 2023 Budget and 2023 - 2027 Financial Plans for Metro Vancouver's legal entities and functions were presented to the following ten Board Standing Committees for the individual functions that fall under the oversight of those Committees:

- Indigenous Relations
- Climate Action
- Electoral Area
- Finance and Intergovernment
- Housing

- Regional Parks
- Regional Planning
- Water
- Liquid Waste
- Zero Waste

The Metro Vancouver Standing Committees were presented with individual reports covering the 2023 Budget and 2023 - 2027 Financial Plans for each function including program highlights, financial plan highlights, financial information for multiple years as well as a "What's Happening" summary page that described the key activities projected over the five-year period of the financial plan. Each Committee reviewed and endorsed their individual financial plans and provided comments and direction where appropriate for consideration by the Board at the October 19, 2022 Board Budget Workshop.

Within this report, the 2023 Budget and 2023 - 2027 Financial Plan for the Metro Vancouver Districts and Housing Corporation have been consolidated for Board consideration and present the overall financial forecast for Metro Vancouver over the next five years. The proposed Financial Plan includes significant capital investment that will be required if Metro Vancouver and its member jurisdictions are to meet the growth and regulatory demands of the region over the coming years. For 2023, the plan represents a \$26 increase in 2023 for a total impact of \$620 for all Metro Vancouver services.

Staff recommend endorsing the 2023 Budget and 2023 - 2027 Financial Plan as presented under alternative one.
