

Not-for-Profits Lifecycles 101

Saturday October 13

The Outlet in Leigh Square – Port Coquitlam

Organizations move through different stages of development: start-up to growth, decline to turnaround, growth to maturity. Every stage is part of a normal process, complete with unique benefits and challenges. By attending, participants are now able to identify concrete steps to take immediately to build capacity in governance, management, financial resources and/or administrative systems.

This workshop is hosted by the City of Port Coquitlam, the City of Port Moody, the City of Coquitlam and Metro Vancouver.

Due to the proprietary nature of this program the power point cannot be shared.
