

## **Succession Planning to Build a Thriving Group with Vantage Point**

**Saturday, November 3**

Facilitated by Vantage Point Maple Ridge City Hall 11995 Haney Place, Maple Ridge, BC

Change is constant in the non-profit and voluntary world. This workshop featured take away tools to help organizations thrive and be better prepared to retain people and build capacity and skills within a group as a whole. This session was facilitated by Vantage Point and was the second part to the Lifecycles workshop. Always a great networking opportunity to meet others in the cultural scene around Metro Vancouver.

Due to the proprietary nature of this material the power point cannot be posted.
