

TERMS AND CONDITIONS OF USE

Exposure to air contaminants may present risks to a person's health. **Persons or entities using the data and information presented in *AirMap* do so at their own risk.**

The data presented in *AirMap* has been collected on a near "real time" basis by automated monitors. It is preliminary in nature and has not been checked or verified, so erroneous data may be presented. **Errors may occur due to a number of causes, such as instrument malfunctions or power outages.** Therefore, the data and information is subject to change, without notice, pending the application of quality assurance and verification procedures.

Neither the Greater Vancouver Regional District (GVRD), nor any director, officer, employee or agent of the GVRD makes any warranty regarding the data or information provided and shall not be held liable for any losses caused by reliance on the data or information. *AirMap* data is provided on an "AS IS" basis without warranty of any kind, whether express or implied, including without limitation, as to its quality, accuracy, suitability, reliability, usability, completeness, timeliness or applicability for particular purposes.

This data and information are protected under applicable copyright and other proprietary laws.

Your use of *AirMap*, its data and/or the information presented constitutes your acceptance of these Terms and Conditions of Use.
