Footnotes:

1. Net NPR is the net change in the stock of non-permanent residents, which include persons residing temporarily in Canada who hold a student, work, or minister's permit, or who are refugee claimants.
2. Returning Emigrants are Canadians who emigrated from Canada in the past, and who are returning with the intention of once again becoming permanent residents.
3. Net T.A. is the net change in persons who are temporarily abroad; that is, residents who have temporarily moved to another country, but have the intention of returning to live in Canada.

Note:

Interprovincial and intraprovincial migration estimates are based on information contained in the Canada Revenue Agency income tax file. Recent year data may be an estimate based on previous year.
