

## Application

### Waiver of Tipping Fees for Community Clean-up Projects

Metro Vancouver is inviting non-profit or volunteer groups to apply for a waiver of tipping fees for loads of invasive plants and/or garbage from community clean-up projects delivered to a Metro Vancouver disposal site. We recognize the important work provided by these groups in helping keep our communities clean and in protecting the environment.

#### SECTION A: ELIGIBILITY REQUIREMENTS

1. The project is conducted within a Metro Vancouver member jurisdiction on public lands:
  - a. green space, such as natural areas, recreational parks or playgrounds, school grounds;
  - b. roads;
  - c. marine shorelines and harbours; and
  - d. lakes, ponds, rivers, creeks, streams or other natural waterways.
2. The clean-up is conducted by volunteers on behalf of a non-profit society or volunteer group.
3. Recyclable materials such as paper, plastic, metal and glass containers, etc. Product Stewardship Materials, such as tires, electronics, appliances, etc. must be separated from the garbage and dropped off for recycling at a [Recycling Depot](#); Hazardous and Operational Impact Materials such as asbestos, gypsum (New or Used), large barrels or drums, etc. should not be collected by volunteers, instead report the material and location to your local municipality; and
4. An application must be submitted and approved.
