

USED GYPSUM / DRYWALL DROP-OFF INSTRUCTIONS

A special disposal program has been created to handle used gypsum (also known as drywall, gyproc, wallboard or plasterboard) as it may contain or be contaminated with asbestos in the tape and mud.

What

“Used Gypsum” is gypsum that has been previously installed.

Where to drop off

Langley or Maple Ridge Transfer Station, or the Vancouver Landfill (see back for addresses)

Limits

- Ten x 10 kg bags per visit
- 5 visits per year

**ONLY USE THIS BAG.
MUST BE DOUBLE-BAGGED.**

Instructions:

1. Wear protective equipment and minimize dust generated.
2. Carefully place in designated bags for 'Used Gypsum' – call 604-681-5600 for stores.
3. Do NOT overfill the bag – leave enough space to properly tie it.
4. Wipe clean the outside of the bag with a wet paper towel, dispose of paper towel in bag, tie bag goose-neck style, and seal with duct tape.
5. Place bag in a second Used Gypsum bag and repeat step #4.

WHERE TO BUY DESIGNATED USED GYPSUM BAGS:

Special heavy duty gypsum disposal bags have been produced and are required for this program.

Some local hardware stores stock Used Gypsum bags.
Call **604-681-5600** or go to **mvrecycles.org** and search
"Used Gypsum Bag"

WHERE TO DROP OFF USED GYPSUM BAGS:

- 1. Langley Transfer Station**
1070 272nd Street, Aldergrove
- 2. Maple Ridge Transfer Station**
10092 236th Street, Maple Ridge
- 3. City of Vancouver Landfill** (used gypsum NOT accepted at Vancouver South Transfer Station)
5400 72nd Street, Delta, 604-873-700

Recycle New Gypsum

If you have New Gypsum date-stamped 1990 or newer that has not been previously installed (no tape, paint or mud), bring it to any Metro Vancouver transfer station or the Vancouver Landfill, for recycling.
New Gypsum does not need to be bagged.
Maximum 500 kg New Gypsum per load.

More information: visit metrovancouver.org
or call 604-681-5600 or email icentre@metrovancouver.org
