

# 148 STREET WATER MAIN – WHALLEY SECTION

## Feedback Highlights

Thank you for taking the time to join us at our open house on May 2, 2019. Below is a high-level summary of what we heard. Where possible we will incorporate your input into our project plans and we will report back on how we are using that input as this project progresses. Stay tuned for more opportunities to get involved!

Questions around maintaining local traffic access in the area during full road closures

Request to minimize traffic impacts on residential streets surrounding 148 Street during full road closures

Concern about a temporary loss of parking along 148 Street during construction

Questions around hours of work

Interest in learning more about where drinking water comes from and how it gets to our homes
